

HANLIX[®]
The most durable suction cups of the world

**MAKE YOUR LIFE
COZY**

Since 1979, HANLIX has been specialized in the industry of hardware. Our facilities, both in Taiwan and in China are well operated by highly qualified staff and skillful labors. Well equipped with all kinds of testing equipment, and advanced machinery.

In pursuit of perfection, we've dedicated our efforts to design the housewares and mobile device accessories. Producing the real and handy products to the modern; combing with our special suction cups, they're capable of achieving the life of convenience.

HANLIX's mission is to continually listen to your heart, to optimize the products, to serve you with our positive attitude. We've implemented our belief into our range of products to fulfill every expectation.

The most incredible suction cups you've ever seen!

Hanlix Suction Cups

Features:

Convenient and portable design to fit your daily life. Suction cup is easy to install and remove without any tools and drilling. Light, anti-erode and durable.

Materials:

First hand rubber material selected, we do not use mixing and unknown materials. To cope with the changeable climate, our strongest suction cup with high and low temperature resistance between -20°C and 100°C (-4°F and 212°F).

Diversity:

Our product range includes a variety of suction cups with various shapes, sizes and materials, providing the right suction cup for full utilizations. Select your suction cups in your favorite.
